

“Kingston Area United Church Gathering”

March 27, 2019, 7-9pm at Sydenham Street United Church

Attention Kingston & Area United Churches: In this post-presbytery period, as we all live into new ways of being The United Church, how are we going to communicate? Stay connected? Support and pray for one another? Embrace the opportunities and face the uncertainties of this time of transition? Let's get together so we can talk and tackle these challenges. Are we interested in forming a Cluster in the Kingston area and if so, what it might do? Sharon Hull, the new staff responsible for Clusters across our Region of East Central Ontario will be with us to consult with and support us.

Ministers - working & retired; former Presbytery Reps; Interested Lay Leaders and Congregants - we are all invited! Hope to see you there!! For more information contact Bruce Hutchinson (hutchinb@queensu.ca) Marylil Megginson (marylil@kos.net) or Elizabeth Macdonald (emacd@kos.net)
